## deVere Managed High Yield Fund (the "Sub-Fund") Class A EUR (LU0735943325) a sub-fund of KMG SICAV SIF (the "Fund")

This Fund is managed by KMG Capital Markets Ltd.

### Objectives and Investment Policy

#### Investment Objective:

The Sub-Fund seeks to achieve long term capital growth and income by investing primarily in a diversified portfolio of structured products issued by major banking and finance institutions. The deVere Managed High Yield Fund is actively managed and doesn't make reference to a benchmark. The Sub-Fund does not have as its objective sustainable investment and ESG aspects are not binding for the investment decisions process. Should the Sub-Fund decide to comply with Article 8 or 9 of the Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability related disclosures in the financial services sector (SFDR), the Sub-Fund's documentation would be updated accordingly. The investments underlying the deVere Managed High Yield Fund do not take into account the EU criteria for environmentally sustainable economic activities.

#### Investment Policy:

The Sub-Fund will seek to hold a diversified portfolio of structured notes and deposits in terms of issuers, underlying exposure, investment terms and maturity. Some of these may offer full or a portion of capital protection. Permissible investments:

- Interest Rate Linked Notes, Credit Linked Notes, Equity Linked Notes, Commodity Linked Notes, Precious Metal Linked Notes, FX Linked Notes, Dual Currency Linked Notes and Hedge Fund Linked Notes
- Structured Deposits

Geographical allocation: Global.

#### Factors driving performance:

Returns will be linked to the performance of an underlying benchmark to provide investors with the potential opportunity to earn a higher return e.g. interest rates, equity markets including single stocks, basket of stocks or an Index, commodities, corporate credits or foreign exchange markets. As a result, individual factors affecting performance of these asset classes will impact the performance of the specific Note.

The choice of assets is guided by growth.

#### Income

Incomes of this Share Class are capitalised.

#### Share Class Currency

The reference currency of the Class of Share is EUR.

#### Dealing frequency

Shares are redeemed at their Net Asset Value per Share on any Valuation Day (weekly) less any applicable redemption fees.

The use of hedging / arbitrage / leverage techniques may determine the fund's performance as follows:

**Hedging:** Hedging transactions may be undertaken, not only with a view to eliminating or reducing interest rate or currency risk but also any kind of risks that the AIFM considers as potentially detrimental to the Sub-Fund's prospective returns and/or capital.

**Borrowings:** The deVere Managed High Yield Fund may borrow the equivalent of up to 25% of its net assets.

**Recommendation:** this Sub-Fund may not be appropriate for investors who plan to withdraw their money within 5 years.

**Benchmark:** The Sub-Fund does not refer to a benchmark.

### Risk and Reward Profile

#### Risk Disclaimer

The risk and reward indicator illustrates where the Sub-Fund is positioned in terms of its possible risks relative to its potential rewards. The higher the Sub-Fund's position on this scale, the greater the possible reward, but also the greater risk of losing money. This risk indicator is calculated using historical data of the prices of the fund (or its benchmark in case of a new sub-fund) which may not be a reliable indicator of the future risk profile of the Class. The lowest risk category cannot be regarded as being risk-free. The value of shares can rise and fall and accordingly, an investor may not get back the full amount invested.

Why is this Sub-Fund in this category?

Based on preliminary calculations, the level of the risk-reward profile is 6='high'.

## Charges

One-off charges that may be taken before or after you invest	
Entry charge	0%
Exit charge	0%
Share Creation charge	0.0834% per month (over 48 months)
This is the maximum that might be taken out of your money before it is invested	
Charges taken from the Fund over a year	
Ongoing charge	5.21%
Charges taken from the Fund under certain specific conditions	
Performance fee: A performance fee may be due to the AIFM, which may be paid to third parties as its discretion, per calendar month, equal to ten (10) percent of the increase in Net Asset Value per Share, (including any net unrealized gains and losses), if any, during such month. The Performance Fee is subject to a "high water mark" whereby any decrease in the Net Asset Value per Share of the relevant Class, subsequent to the most recent month in which Performance Fees were earned, will be carried forward until future increases exceed the amount of loss carried forward.	
Actual last year fee charged: 0.40%	

The charges you pay are used to pay the costs of running the Sub-Fund, including the costs of marketing and distribution. These charges reduce the potential growth of your investment. The actual entry and exit charges can be found out from your adviser or distributor.

The ongoing charges figure is based on expenses for the year ending 31 December 2021. This figure may vary from year to year and excludes:

- Performance fees (if applicable)
- Portfolio transaction costs, except in the case of entry/exit charges paid by the Sub-Fund when buying or selling units in another collective investment undertaking.

For more information about charges, please refer to the section of the Sub-Fund's prospectus which details charges. This prospectus is available from the registered office of the Fund.

## Past Performance

This Share Class was launched on 30/03/2012.

Please be aware that performance in the past is not a reliable indicator of future results.

The past performance presented includes the fees except the entry and exit fees which are excluded from the calculation of past performance.

The past performance has been calculated in EUR.
